Second Time It Happens, T. W. Sloane's Pin Disappears.

Somebody touched Thomas W. Sloane expecting to see a friend, but gazed into ing John Hays Hammond, the worldthe faces of a platform full of strangers. At the same time somebody else touched him on the necktie for a diamond pin valued at \$50, but Sloane did not know it at the time.

It was only after he arrived at his home that he discovered his loss, and he immediately notified the police. The conductor on the car assisted him in describng the two men, for whom the police are keeping a sharp lookout.

Hold Wrong Man in Baltimore. Detective Baur made a fruitless journey to Baltimore last night, where a man bearing the description of Charles Ennis, who is wanted here for assault, was arrested. The Baltimore police telephoned to Washington that a man who resembled the picture on a local circular was in custody there, but Detective Baur found that he was not the man wanted here.

RESTRICTS MAIL CARRIERS.

Postmaster Forbids Free Use Cars Save for Business.

Postmaster Barnes has issued an order which will prevent mail carriers riding free on the street cars while they are off duty. It appears that the mail carriers have been availing themselves of the opportunity to ride gratis at all times of the day and night, when they are going and coming to work and when their work is over. Postmaster Barnes objects to this, although it is said that no complaint has come from the car companies. He does not wish to have the companies osed on, even by Uncle Sam. Eight reductions in salary, one removal, and three resignations were announced at
